3. GLOBAL LAW PROGRAM (courses taught in English)

The **DIREITO GV Global Law Program** was designed for international and FGV students. This program aims to introduce foreign students to the Brazilian Legal System and to promote a broad debate on issues of global relevance in a Brazilian perspective. The Global Law Program is divided in two terms with four disciplines. Exchange students are supposed to attend three of these disciplines¹. Moreover, one of these disciplines is **mandatory for all exchange students: *Introduction to the Brazilian Legal System***. Each term will last two months.

Global Law Program		
13029-30	Introduction to the Brazilian Legal System	30
PGA_1902	Public Governance and Agreements	30
CISG_1602	Contract and the CISG	30
